Hi Jeff,

Sorry to get back to you so late. I was out ill most of last week.

The status on this end is that we are waiting for Joe to draft the letter to the PLPs indicating our dissatisfaction with their response - or lack thereof.

I also believe that there will be a govt to govt request to meet.

I haven't heard anything from Yakima County.

Any news on your end?

Should we try and arrange a phone conference catch up?
